Santa Claus is Coming to Town!

He sees you when you're sleeping; he knows when you're awake....

Santa has decided to take time out of his extremely busy pre holiday schedule to visit the kids from Lake Chaffee. He is scheduled to appear at Lake Chaffee Hall on **Saturday, December 15th from 11:00am until 2:00pm.** (see related story on page 2)

Fire Destroys Home of New Lake Chaffee Residents

Jeffrey Coutre and **Stacy Squires** of **55 Lakeview Drive** had recently moved into their home. They were scheduled to receive their bread and flowers from the Lake Chaffee Welcome Wagon. In a most unfortunate turn of circumstance, their newly acquired shorefront home was engulfed in a flaming inferno. Ashford Fire Department Volunteers battled the blaze for several hours and other town's fire engine companies also responded to the fire at 55 Lakeview. The Ashford Town Fire Marshall was overhead saying that a recently converted heating system might have been the cause of the blaze. Our hearts and condolences go out to our new neighbors in this extremely difficult time. On January 4, 2002 the LCIA plans to host a Benefit for the Lake and for the Victims of the Fire. More details on the benefit have yet to be received as of press time, but the LCIA plans to host the benefit party at either the Lake Chaffee Hall or the Ashford Town Hall. If you are interested in volunteering or donating or attending the Benefit, please call **LCIA President Gay Leedie at 487-3754.**

ASHFORD FIRE COMPANY CALLS FOR VOLUNTEERS

Many of you saw the brave firefighters engaged in the World Trade Center Fires on Television. In October we witnessed the bravery and courage of local volunteer firefighters battling the blaze on 55 Lakeview Drive. Thanks to their efforts the fire was contained and no other properties were affected. Recently the Ashford Fire Department had signs posted calling for Volunteers. The routine call number for the Ashford Fire Department is 875-2543.

Special Thanks From the LCIA to Mike Maloney

The Board of Directors and members of the LCIA would like to thank **Mike Maloney** for volunteering to lower the lake this fall. Dredging requests necessitated the lower than usual lake level this year.

Clean Sweep a Success

Sandra Moquin is one of the leaders in our community. She currently holds LCIA positions as **Beach Chair**, **Board Member**, and **Business Editor** of the Newsletter. Sandy submitted a letter of appreciation to all those who recently volunteered in the Annual Fall Beach Clean up.

A Word from the Beach Chair Person:

I would like to express my sincere appreciation to the following people who helped Clean Up the Beach. **Peggy James, Ward James** and **Bonnie Archenbault** helped with pulling out the dock and the buoys, and **Eddie King, Linda Parent, John Bennet, Ashley Luskey Sharon Bickford, Clint Bickford (and kids!) Eugene Moquin** and **Randy from the neighboring property of 31 Lakeview** all helped with the raking and general cleanup. **Bill and Hal Strapko** pulled the dock onto the beach (which was heavy work!) Thanks to all who assisted in Fall beach cleanup! For those who were unable to participate in our annual beach clean up. No Problem! On-going maintenance is always appreciated; you and your children who frequent the beach will be able to reap the benefits of your continued efforts in keeping up this beautiful parcel of waterfront property.

HOLIDAY BAZAAR REPORT:

The **Lake Chaffee Holiday Bazaar** was financially successful for the LCIA. The annual event was held on **Saturday, November 17**, at the Lake Chaffee Hall. The Bazaar was well attended thanks to the efforts of **Recreation** and **Fundraising Chairs Emmy and Ed King**. The Kitchen raised \$99.85 profit, the Table rentals brought in \$70.00, the Fruit Baskets netted \$53.25, the Bake Table netted 138.52, and the Raffle netted \$1261.46. Thanks to all who volunteered, all who rented tables, and most especially, to all who attended and purchased goods at this year's Bazaar.

Fruit Basket Prize: Gerry Dufresne “Sulley” and “Wishing Well” To Be Raffled off December 15th

During the Holiday Bazaar an additional raffle was conducted for the wonderful **Wishing Well** and the **Sulley Stuffed Animal**. The wishing well is an original design by **Emmy and Ed King**. It has a unique multi angled bottom frame where the boards are layered and weaved together to give a textured basket weaved effect. The labor-intensive carpentry involved in making this well makes it a special gift that would make an ideal ornamental feature for a garden or a utilitarian wellhead cover. It is so attractive and unique it could even be used as an indoor decorative feature, or other creative uses (e.g. a gazebo for elf's). The Sulley Stuffed Animal is an adorable huge furry blue creature that would make a wonderful furry Christmas Gift. Tickets are still available for \$2.00 each or 7 tickets for \$10.00. Tickets are on sale now each Saturday Night during Bingo and the Sulley Stuffed Animal and Wishing Well are also on display at the Lake Chaffee Hall. The Drawing for the Sulley Doll and Wishing Well will be held on Saturday December 15, between 11:00 and 2:00pm.

Births:

Congratulations to **Ingrid, Erik** and **Scotty Hanka** who recently added a new member to their family. A baby boy! His name is **Noah**.

The entire family recently attended our Newsletter Meeting and the little bundle of joy was a wonderful contributor to our meeting.

Condolences to **Pauline Backhaus** who had a death and illness in her family during the Thanksgiving Holidays.

Ed King recently sustained a serious injury to his finger. He has been a carpenter all his life and never had a circular saw attack him like that. He is recovering but has a huge bandage on his finger that looks like a giant "We're Number One" sign.

Kay Warren was named an alternate on the Economic Development Commission for the Town of Ashford.

Eugenie Bagley was recently elected to the Town of Ashford's Library Board. She was also named treasurer for the Library Board.

SANTA TO VISIT LAKE IN CHRISTMAS PROMOTIONAL TOUR DECEMBER 15TH AT LAKE CHAFFEE HALL

All kids should mark their calendars for **Saturday December 15th from 11:00pm until 2:00pm**. Santa has agreed to visit Lake Chaffee Hall to have his picture taken with kids and receive last minute letters to Santa. The LCIA is working on arranging for pictures to be taken with Santa for a reasonable price. There will be cookies and hot chocolate and the Drawing for the Wishing Well and Sulley Stuffed Animal will be held during Santa's Visit. The Newsletter would also like to collect letters to Santa to be published in the next newsletter. So you better watch out, you better not cry, you better not pout...

HALLOWEEN SPOOK HOUSE A SMASHING SUCCESS!

Kids lined up to see the LCIA Spook House at both the Halloween Party and the popular demand encore on Halloween Night. The events were well attended and critically acclaimed by the little goblins who attended.

The Spook House and Halloween Party were smashing successes! Over 50 kids came to the Halloween Party. The Kids and Parents enjoyed games and prizes and candy and cupcakes. The Spook House was held in the Kitchen Area of Lake Chaffee Hall. Recreation Chair **Ed King** oversaw the project. **Emmy King** was the main decorator and **Gay Leedie, Linda Parent, Gerry Dufresne, Bill Thompson, Mark and Cheryl Trudeau, Marilyn Delgrosso, Linda Crowley, Laura Koropatkin, and Mike Grant** all helped out to make the Spook House and Halloween Party a fun filled time for adults and kids alike. The Spook House was greatly benefited by the **Ashford Parks and Rec. Committee's** donation of their old "Freak Night paraphernalia. The Spooky sections were a huge hit with the kids. The kitchen area was completely transformed into a dark and scary room. The area was divided into a spooky cemetery, with funny headstones that glowed in the dark and a neat fog machine that filled the area with spooky smoke. Ghouls and goblins and bats were hung from the ceiling and spooky murals and sheets covered the walls. Another area had a witch's den, with a brew and assorted instruments of fright. The final area had a guillotine beheaded some poor unfortunate soul. The overall effect was perfect. It was certainly scary, but not too scary. Adults in ghoulish costumes escorted the little ones through the maze like spook house. Kids and adults kept wanting to go back to see all the wonderful details that were put into the spook house. It was a wonderful example of volunteers getting together and making a memorable event that the kids will cherish and remember.

will go to the LCIA Fund for community programs and maintenance. Please call us if you know of anyone who would like to advertise in our newsletter. Ad rates are as follows:

\$25.00 per issue/ \$200 year
½ page sized ad

\$50.00 per issue/\$350 year
Full-page sized ad

\$5.00 per issue/ \$35 year
Business card ads

\$15.00 per issue/ \$100 year
¼page sized ad

To find out more or place an ad call the Editor at 429-6285 or **Business Editor Sandy Moquin at 487-3619**.

Suggested Names for the Newsletter!

The Lake Chaffee Newsletter wants a new name, and we have solicited submissions for Name Ideas. Previous names in the past for the newsletter are as follows:

The Lake Chaffee Newsletter
The Lake Chaffee Gazette
Lake Chaffee News

Here are some of the Suggested Names we have received thus far:

The Lake Chaffee Fish Wrap, The Fish Wrap Chaffee Chews, Lake News, News for You, Chaffee Tribune, Chaffee Gazette, Lake Chaffee

Times, Chaffee Journal, Its Your Lake News, Chaffee Community News. These are all wonderful suggestions. Please drop by any further suggestions to the Editor's box at 10 Perch Drive or leave a voice message with your suggested names or to cast a vote on one of the above names. If we have a universal consensus we will name the paper after the selection that receives the most votes. You can also cast your vote online at www.lakechaffee.org. The LCIA board approved the Lake Chaffee web site to generate income for our association. President's Corner

I am so pleased by the increased pride in living on Lake Chaffee! One third of you responded to our call for increased contributions to our LCIA Dues. Our Halloween Party had a large turn out of costumed children and baked good donations. The haunted kitchen was such a success that several families stationed themselves at Chaffee Hall for Halloween Night to let more kids enjoy the haunted house atmosphere. Our beach clean up was made easier by the number of people that volunteered. Our Bazaar had an increase of local patrons. I think we are moving in the right direction in community involvement. And I hope we can provide an atmosphere that will make more people want to get involved.

Our Board of Directors has been working on ways to save money for the Lake. We are reviewing every expense and trying to find less expensive ways to get service, from septic pumping to phone service. I am planning to tackle some of the bigger problems this winter, ordinance enforcement to governing options. We will be sending out a new survey to access your needs and wants. And from the results we will be determining the directions the board will

LCIA HONOR ROLL: PAYING MORE THAN THEIR DUES

The LCIA would like to formally thank all those who contributed more than the mandatory dues during our annual collection of LCIA dues. Thanks to the generosity of those listed below, we have exceeded our goal of raising \$3000.00 in cash donations. However there is still a lot of work to be done, and the LCIA has many future fiscally important decisions to make. We also need to address a number of neglected areas such as docks and common areas and roads. If you have not yet made a donation please reconsider. Thanks to all those who did donate!

School Bus Safety

Every year many children are hurt or killed by cars or school buses. Some of these unfortunate accidents can be prevented by following these simple "Safety Guidelines".

1st: WATCH YOUR CHILD AT THE STOP.

Even though your neighbor is telling the latest news/gossip/etc. The driver does have "blind spots" and cannot see your child or his/her younger brother or sister near a wheel when approaching or leaving the stop.

2nd DO NOT HAVE YOUR CHILD "RUSH" THE BUS.

The driver is trained to stop ten feet before the stop. The Child can easily slide under a wheel of the bus, especially in slippery weather.

3rd IF YOUR CHILD HAS TO CROSS THE STREET, MAKE SURE THE DRIVER NODS FOR HIM/HER TO CROSS.

Many vehicles go through the bus sign lights regardless of the ramifications of injury and \$450.00 fine. It is better yet to have your

child watch for stopped traffic and check with the driver prior to crossing the street.

4th PLEASE KEEP YOUR CHILD OFF OF SNOW BANKS NEAR THE ROAD.

Children can slide off of snow banks into oncoming traffic or school bus wheels.

5th DO NOT ALLOW YOUR CHILD TO RUN INTO THE ROAD TO "CATCH THE BUS".

If your child is late for the bus, do not allow them to run into the road to catch up with the bus. Motorists may not see your child running into the road, especially around curves.

CONCLUSION:

Remember our children are our future. Let's protect them with these simple guidelines. After all life is already challenging enough for them.
