

Lake Chaffee Improvement Association Community Opportunities

Congratulations on surviving the winter! Now that spring is here, it's time for our community to reconnect, take-in some sunshine, and get active. Mark your calendars for these upcoming events.

Main Beach Clean-up

Saturday May 7th from 9am-12noon.

Everyone is needed to help with the work. We are looking for people to bring shovels, rakes, wheelbarrows, and a rotor-tiller. It won't be too long before your family will be swimming at the beach, and we need it to be safe for everyone to use. Can you spare three hours of your time in exchange for a summer full of wonderful memories?

Break Bread with Your Board

Saturday May 21st outside the Hall at 5:30pm.

Come enjoy hotdogs, hamburgers, soda, chips, wine, and beer with your board members and neighbors. We'll have games for all ages. It will also be an opportunity for you to discuss your concerns and ideas for the Association. This is a fundraiser, so donations will be accepted and a 50/50 raffle will be held.

Tag Sale

Saturday June 25th outside the Hall from 9am to 2pm.

We are looking for donations for the Association's table and we will be renting tables for \$15.00 each. Contact Gay Leedie 487-3754 to rent a table or donations.

Be on the lookout for future events:

This past winter took a huge toll on the LCIA budget. We had planned to spend \$13,000 on road maintenance, but ended up needing over \$20,000 due to all of the extra plowing and sand. We're planning to organize even more fundraising events in the future to ensure the completion of our upcoming dam project and for ongoing maintenance and improvement to our beloved lake community. Currently, the 200 LCIA members each contribute \$125 in taxes. Alone, each fundraiser may not bring in large sums of money, but combined they can have a dramatic impact. Every addition to the Association fund is an investment in Lake Chaffee's future. Please let us know if you have any ideas for future fundraisers.
